

# 2<sup>nd</sup> Abbotsford Sea Scouts Sailing program

As a Sea Scout Group water activities and sailing are at our core. Sailing is more than a sport, it teaches resiliency, independence and teamwork.

The sailing community is very inclusive and supportive for youth and helps build resilience, leadership, and independence. Sailing at 2nd Abbotsford is available to all sections with two distinct areas: Group Sailing (under the Scout's Outdoor Adventure program) & Saturday Club Training and Racing. Speak to

your Section Leader if you're interested in sailing.
